Welcome to the "I GOT SOUL" Performing Arts annual show.

We are proud to present "Checkmate".

This show is loosely themed around a chess board. We are all pieces in a game of life and battling through performance. Students have really been encouraged to showcase their inner "royalty" and give regal attitude.

Today, all age groups come together to showcase their terms work... all genres of dance, all abilities and all singers as one big happy family.

We have been so proud of the rehearsal process and the improvement all round.

This showcase has a greater emphasis on dance routines and a theatrical performance. Next years Acting and Singing Galas give the students an opportunity to perform their acting and singing segments / solos / acting pieces in a more intimate setting.

I Got Soul Crew / Company and House of Rebels continue to build huge status within the industry and are really making a noise on the breaking scene. Their company showcase in May this year was a huge success. We look forward to the next company showcase "I Got One Two Step" in May 2025 at Jackson's Lane. We can't wait !!!!

We would like to say thank you to all the parents/guardians who have encouraged the discipline with getting the pupils to classes and rehearsals. We are so excited for you to see all of the children's hard work. You will all be extremely proud of them.

Sit back and enjoy the show...
